On How to Promote Community Engagement

Needs for a Nation-wide Standardized Training System for inclusive DRR

Inclusive DRR = DRR that targets the entire Community Residents

Community Development that leaves No One Behind Requires ...

- ·The parties involved must not give up on evacuation (Self-help)
- To encourage the parties concerned to be aware of the evacuation (Self-help)
- •Foster a culture in which residents are aware of the existence of PFND and help each other on an everyday basis.

 (Mutual Help)
- an easy-to-understand government mechanism to support residents' organizations so that they can continue their disaster prevention activities. (Public Help)

⇒ Expand Human Capital that understand inclusive DRR
